INSTRUCTIONS FOR MOUNTING 1445 TOWEL LADDER

1. Position plates on wall as shown with flat surface of plates against wall.
2. Mount bottom left hand post on wall plate by slipping notched section of post over edge of wall plate so that towel bar opening faces up. Secure with set screw.
3. Insert towel bar with holes in bar facing toward right and seam facing rear. Insert top left hand post over bar and mount as in step 2.
4. Mount bottom right hand post as in step 2. Insert towel bar and four tubes simultaneously, working from bottom to top. Insert top right hand post over bar and mount as in step 2.
